Dear Ohlone Students and Families,

Welcome to Ohlone College! We are excited to be able to tell you about the opportunities we provide.

At Ohlone, we will give you a great start on college. Many of you will complete your freshman and sophomore years of college here and then transfer to the University of California, California State University, or another four-year university to complete your bachelor's degree. Others of you will complete an associate's degree or certificate and enter the workforce.

Ohlone prepares students to be successful on the job or at a university. Our students transfer with and maintain a higher GPA than the average for all community college transfer students and graduate with a higher GPA than students who spend all four years at a university. And Ohlone’s transfer rate is among the very best in the Bay Area.

Students who complete career and technical programs are ready to step into jobs in their chosen fields. In the health sciences, Ohlone students pass required licensure examinations nearly 100% of the time. Our highly professional faculty are dedicated to teaching and helping students develop. Our excellent student support services help students attain their aspirations.

Ohlone’s success depends on students achieving their educational goals. You have made an excellent choice in coming to Ohlone. Enjoy your day at Ohlone learning about all we have to offer.

Sincerely,

Gari Browning, Ph.D.
President/Superintendent
Ohlone Community College District
After completing your application to Ohlone, you will need to:

- **Take your Placement Test**

- **Attend New Student Orientation**
  
  During orientation, you will learn more about the campus and meet with a counselor to plan out your classes

- **Create your WebAdvisor Account. Use WebAdvisor to:**

  - Search & register for classes
  - Update your student information
  - View your class schedule
  - Print an unofficial transcript
  - Review your Financial Aid status
  - Pay for classes
  - Look up your Placement Test scores
  - View grades and GPA

Congratulations on your decision to attend Ohlone College! Some of you may have just graduated from high school, or you may be returning to college after a break. Whatever reason brings you to Ohlone, your success is our priority and there are many student services that will help make your transition a little easier. Whether it’s developing an education plan with a counselor, visiting one of the tutoring centers, or working with our Financial Aid staff, we are all here to help!

During orientation, you will learn more about these services and the steps toward earning a degree and transferring. You will also have a chance to meet with counselors and Peer Mentors to gain a better understanding of classes and campus life. But, orientation is just the beginning! This book is a resource for you throughout your time here. If you ever need to find a phone number, figure out where something is located, or just need a refresher about what’s offered here at Ohlone, it can all be found in this New Student Handbook.
OHLONE at a Glance!

Fremont Campus

Our “main” campus is located at 43600 Mission Boulevard, Fremont, CA. Here you will find buildings dedicated to music (including the Gary Soren Smith Center for the Fine & Performing Arts), art, Deaf studies, athletics, and science. This campus is also home to our student newspaper (the Monitor), cafeteria and bookstore. Our own radio station (KOHL FM 89.3) and television studio (ONTV on Channel 28) are also here.

Newark Campus

The Newark Campus is located at 39399 Cherry Street, Newark, CA. Having opened in 2008, it was the first “green” community college in the nation! While a variety of classes are offered here, it is home to our Biotechnology, Environmental Studies, Computer Science, and Health Sciences programs.

Interested in getting a tour of either campus? Connect with one of the Peer Mentors during your orientation or request a tour online: www.ohlone.edu/peermentors
Registration
Ohlone College offers classes on a semester basis. Fall and Spring semesters are 16 weeks long. Summer Term is also available during 6 or 8 week periods.

Exact start dates change every semester, but typically the semesters take place during the following months:

- **Fall Semester:** Late August through mid-December
- **Spring Semester:** Late January through mid-May
- **Summer Term:** Mid-June through early August

Check the Academic Calendar every semester for information on all important dates and deadlines: [www.ohlone.edu/admissions/academiccalendar.html](http://www.ohlone.edu/admissions/academiccalendar.html)

---

**Dates You Should Know**

- Last day to add a class
- Last day to drop a class (with and without a “W”)
- Last day to drop a class and be eligible for a refund
- Last day to add a class without an Add Authorization Code
- Final exam schedule*

The Academic Calendar **does not** apply to self-paced classes, short-term classes, year-long classes, or classes meeting more or less than the full semester.

*Did You Know? Your final exam schedule will be different from your class meeting time. Make sure to check the finals schedule when you register and make note of the change.

---

**Dates Ohlone is Closed**

Please note that Ohlone observes the following holidays. The campuses are closed, and classes do not meet.

- New Year’s Day
- Martin Luther King, Jr. Day
- Presidents’ Weekend
- Fridays during summer
- Memorial Day
- Independence Day
- Labor Day
- Veteran’s Day
- Thanksgiving
- Christmas Eve
- Christmas
- New Year’s Eve
Make sure that you’re ready to register! Check out the Registration Readiness Dashboard feature in WebAdvisor. The Dashboard will let you know if you’re clear to register and when your appointment is, or if you have anything that’s blocking you from registering.

Green messages indicate that you are ready to register, while red ones tell you that something needs to be done first.

Common Registration Problems Include:

- ORIENTATION: All new students are required to complete an orientation before they are eligible to register.
- APPLICATION: If you haven’t attended Ohlone for a full semester, you will need to resubmit an application for this upcoming term.
- ACCOUNT BALANCE: If you owe money on your account (from tuition, fees, etc.) you’ll need to take care of that first.
- STUDENT PROFILE: You need to update your student profile every semester.
- ACADEMIC STANDING: Are you on Academic Probation? Make sure that you’ve completed all the required steps to clear your hold (check your email for instructions, or visit one of our counselors).

The Registration Readiness Dashboard can be found under the “Registration” heading on your WebAdvisor student menu. More information about the Dashboard and issues that impact registration can be found online: www.ohlone.edu/go/dashboard

Before you register...

- Meet with a counselor to plan out your classes and update your Student Education Plan.
- If any classes you plan to take have a prerequisite, make sure that you’ve met and/or cleared the prerequisite with a counselor before you attempt to register.

Helpful Hint: If you still can’t register for a class, make sure to read the comments section. It might be that the class is taught in American Sign Language (ASL), is part of a learning community, or has a lab component that may conflict with other courses you’re registering for.
When and how do I pay my tuition?

**WHEN:** Students have 5 calendar days to pay tuition after they register for classes. The best practice is to pay during the registration process. If the tuition is not paid within 5 days, students will be dropped from all their classes and must register again.

**HOW:** There are three options for payment:

- Pay with a credit card online via WebAdvisor, no additional fees
- Pay through payment plan option, $20 fee per semester
- Pay at cashier’s office with cash, check or credit card

How much is Ohlone going to cost?

**TUITION:**
- $46.00/unit (CA residents)
- $232.00/unit (non-residents)

**FEES:**
- Electronic Access: $5.00
- Student Activity: $5.00 for fall/spring semesters; $2.50 for summer term
- Health Services: $19.00 for fall/spring semesters; $16 for summer term

**ADDITIONAL COSTS:**
- Books
- Parking: ($40 for semester permit or $4 per day with daily permit) ($23 for summer term)

**REFUND:** Request a refund if you drop classes

---

Ohlone College Supports Undocumented Students

Visit the Ohlone Dreamers site: www.ohlone.edu/go/dreamers

Contact us at dreamers@ohlone.edu or
Get in touch with Brenda A. Reynoso, Ohlone Counselor, breynoso@ohlone.edu, 510.659.6081 or
Mike De Unamuno, Ohlone Counselor, mdeunamuno@ohlone.edu, 510.742.2347
Admissions and Records

The Office of Admissions and Records provides admission and registration information to all students. The office maintains accurate records of student attendance and academic records. It provides information to students regarding application status, enrollment verification, grades and college transcripts.

DON’T FORGET!!
You have 5 days to pay your tuition and fees after registration or you will lose your classes. The best practice is to pay during the registration process.

Athletics

Ohlone College is a member of the California Community College Athletic Association (CCCAA) and competes within the Coast Conference. Ohlone College’s athletic teams include men’s baseball, women’s softball, men’s/women’s basketball, men’s/women’s soccer, men’s/women’s swimming/diving, women’s volleyball, and men’s/women’s water polo.

Bookstore

The Bookstore’s primary responsibility is to serve the students and faculty of Ohlone College in providing textbooks and course materials. The Bookstore also carries general books, bestsellers, greeting cards, gifts, clothing, computer hardware and software, snack foods, and a variety of other merchandise.

Cafeteria and Vending Services

In Fremont, a full service cafeteria is provided by Fresh & Natural Café, in addition to a student lounge where hot and cold food and drinks are available. On the Newark campus, Fresh & Natural Café offers hot and cold food and beverages in the main lobby. There are also numerous vending machines that sell snacks and beverages on both campuses.

Campus Police Services/Safety and Security

Campus Police Services include campus security, traffic and parking control, prevention and detection of crime, and law and policy enforcement. Campus Police Services make reports of crimes and other emergencies to which they respond. All incoming calls are handled as soon as possible. For medical emergencies on campus, do not hesitate to call 911 and then notify Campus Police Services.

Student Escort Officers (SEOs)

On the Fremont campus, Student Escort Officers are available to escort evening students to and from the parking lots or classrooms. For most up-to-date information, please visit www.ohlone.edu/go/safety.
Counseling Center (Fremont Campus)

510.659.6110
Fremont: Building 7, Third Floor, Room 7322
www.ohlone.edu/counseling

The Counseling Department assists students in planning and executing a plan of study that appropriately reflects the students’ interests and motivation. Counselors provide a Student Education Plan (SEP)*, guidance regarding graduation requirements, transfer options, career planning, personal decision making, and personal concerns.

We encourage students to see a counselor at least once a semester.

Diane Berkland  Lenore Landavazo  Stephanie Ramos

Nadia Dadgar  Jesse MacEwan  Brenda Reynoso

Jennifer Harper  Susan Myers  Mandy Yip

International Students

*Student Education Plans (SEPs) are “roadmaps” that students create with a counselor to reach their academic goal. SEPs help students figure out how and when they can obtain a certificate, earn an associate degree, and/or transfer to a 4-year university.

Counseling Center (Newark Campus)

510.742.2341
Newark: First Floor, Wing 3, Room NC1312
www.ohlone.edu/counseling

Janet Corcoran  Tony Le  Mike De Unamuno

Physical Therapist Assistant, Respiratory Therapy, Registered Nursing  General Counseling  Puente Program
Disability Studies Division Counseling Services serve all current and prospective Deaf and Hard of Hearing students of Ohlone College. Counselors are fluent in American Sign Language (ASL) and have specialized degrees and experience required for working with Deaf and Hard of Hearing students.

Deaf Studies Division Services (DSPS) is designed to open the doors of education and occupational opportunities for students with disabilities. Specialized services and educational accommodations are provided to students with disabilities to help them achieve their educational and vocational goals.

Deaf Studies Division Counseling Services serve all current and prospective Deaf and Hard of Hearing students of Ohlone College. Counselors are fluent in American Sign Language (ASL) and have specialized degrees and experience required for working with Deaf and Hard of Hearing students.

Extended Opportunity Programs and Services (EOPS) is a retention-based program that is designed to assist students by providing special support services offered by the college. It is a program that identifies, recruits, places, and retains students who are affected by social, economic, or language barriers.
Financial Aid & Veteran Affairs

510.659.6150  
Fremont: Building 7, Second Floor, Room 7249  
510.742.2340  
Newark: First Floor, Wing 3, Room NC1312  
financial_aid@ohlone.edu  
www.ohlone.edu/finaid

The Financial Aid Office assists students in meeting their educational costs while attending Ohlone College. Since financial aid funds are limited, early application is encouraged. In addition, there are many scholarships available and an emergency short-term loan program. Students must be enrolled in 6 semester units with a minimum 2.0 GPA to qualify for financial aid.

Deborah Griffin  
Director, Financial Aid & Veterans Affairs

Check out the new Veteran’s Resource Center, Building 5, Room 5101. Student veterans can learn more about the campus, VA resources, and meet fellow veterans.

To provide better and more comprehensive services to our Ohlone College financial aid students, each financial aid team member is assigned a caseload by students’ last name. If you have any questions, contact the team member assigned to your last name.

Foundation Scholarships

510.659.6020  
Fremont: Building 20, Second Floor, Room 203

http://scholarships.ohlone.edu

The Ohlone College Foundation provides scholarships based on academic accomplishments or financial need to Ohlone College students. The application process opens in March each year and closes in April. Approximately $150,000 will be awarded each fall to incoming Ohlone College freshman and continuing students. Watch for email announcements and campus flyers when scholarships become available and be sure to apply.

International Programs and Services
510.659.6439
Fremont: Building 7, Third Floor, Room 7323
international@ohlone.edu
www.ohlone.edu/international

The International Programs and Services Office serves international students who apply to and attend Ohlone College on the F-1 Student Visa. The services the International Programs and Services Office provides international students and their families include: international admissions; application processing; United States Citizenship and Immigration Services (USCIS) regulations advisement; change of Visa status (to F-1) advisement; international student orientation; Optional Practical Training coordination; and general advisement on transfer to 4-year universities.

Library/Learning Resource Center
510.659.6160
Fremont: Building 1, Third and Fourth Floors
510.742.3128
Newark: First Floor, Wing 1, Room NC1124
www.ohlone.edu/library

The Library/LRC is an essential learning resource for students offering online and in-person services. Students have access to books and audio-visual materials as well as an extensive digital collection of ebooks and subscription databases. Librarians teach students how to locate information and use library resources effectively through drop-in and one-on-one research assistance appointments. Computers, free wi-fi, small group study rooms, and copy, print or scan-to-mail services are also available.

Office of the Ombudsperson
510.659.7376
Fremont: Building 7, Second Floor, Room 7246
ombudsperson@ohlone.edu
www.ohlone.edu/ombudsperson

The Office of the Ombudsperson provides a safe and comfortable environment for students to discuss complaints, concerns or problems confidentially. When appropriate, the office will initiate an informal intervention with the goal of facilitating a resolution that is acceptable to all parties involved.

Debbie Trigg
Director,
Student Life, EOPS & Ombudsperson

Office of Student Life
510.659.6255
Fremont: Building 7, Second Floor, Room 7210
studentlife@ohlone.edu
www.ohlone.edu/studentlife

The Student Life Office is home to the Student Activities Department, the Associated Students of Ohlone College (ASOC) student government, and Ohlone clubs. The Student Life Office coordinates a variety of student activities and events, leadership workshops, and much more. Come by the Student Life Office to find out how you can get involved in campus life.

Debbie Trigg
Director,
Student Life, EOPS & Ombudsperson
Renee Wong Gonzalez
Student Activities Coordinator
Peer Mentor Program

Peer Mentors are Ohlone College students who participate in recruiting and retaining Ohlone College students. Peer Mentors assist with Welcome Day, campus tours, orientation, high school outreach, and mentoring new students.

Student Health Center

The Health Center provides primary care, first aid, physicals, immunizations, referral services and health education for Ohlone College students. Most services are covered through the student health fee, however, some services require a nominal fee.

Transfer Center

The Transfer Center provides resources and services so students can explore majors and universities, connect with campus representatives and events, and obtain assistance through the transition process.

Tri-Cities One-Stop Career Center

The Tri-Cities One-Stop Career Center in Newark works in affiliation with Ohlone College to provide employment-related services to students as well as to the community. The Center provides internship information, job listings, and job referral services. It also offers workshops on resume writing, job search skills, and interviewing skills and holds job fairs.

What does Ohlone offer?

Certificate Programs

- Focus specifically on classes required to help prepare you for job-market skills, and do not require general education courses.

- Ohlone offers Certificates of Achievement (requires 18-42 units) and Certificates of Accomplishments (requires 6-17 units.)

Associate Degree Programs (A.S., A.A., ADT)

- Requires general education and major courses

- Minimum of 60 units

- Ohlone offers associate degrees designed for transfer and those focused on preparing students for employment in certain fields (Associate in Science, Associate in Arts)

- Associate Degree for Transfer (ADT) guarantees admission to the CSU system and eligible students are generally given priority admission consideration.
College Degrees

- Ed.D./Ph.D./M.D./J.D. Doctorate
- MA/MS Masters
- BA/BS Bachelor
- Transfer and/or AA/AS Associate

Components of a College Degree

Your degree consists of courses in:
- General education + major + electives

Major
- Lower Division (Ohlone)
- Upper Division (at University)

Degree

Electives

General Education (GE)

Transfer to CSU, UC or Private University

Bachelor Degree: GE + Major + Electives = 120 + units
Associate Degree: GE + Major + Electives = 60 + units

ECONOMICS PROJECTIONS

2015 Earnings and unemployment rates by educational attainment

Unemployment rate in 2015

- Doctoral degree: 1.7%
- Professional degree: 1.5%
- Masters degree: 2.4%
- Bachelors degree: 2.8%
- Associate degree: 3.8%
- Some college, no degree: 5.0%
- High school graduate: 5.4%
- Less than a high school diploma: 8.0%
- All workers: 4.3%

Median weekly earnings in 2015

- Doctoral degree: $1,623
- Professional degree: $1,730
- Masters degree: $1,341
- Bachelors degree: $1,137
- Associate degree: $798
- Some college, no degree: $738
- High school graduate: $678
- Less than a high school diploma: $493
- All workers: $860

Note: Data are for persons age 25 and over. Earnings are for full-time wage and salary workers.

SO YOU WANT TO TRANSFER?

HERE ARE SOME THINGS TO FIGURE OUT:

How do I choose my academic major?

Attend a How to Choose Your Major workshop hosted by the Transfer Center! Discuss your thoughts, interests, and concerns with your counselor, instructor, and trusted family and friends! Read up about what you can do with a particular major through the College Board Book of Majors available at the Transfer Center!

Which university is best for me?

Check out the Rugg’s Recommendations Guide at the Transfer Center for universities that are strong in your academic major. Learn more about the department on the university website. Try to visit the campus or learn more about the campus culture through a virtual tour or webinar. Make an appointment to talk with the university representative when they come to the Transfer Center! Even better, attend Transfer Day in September! Over 45 colleges and universities will be tabling on the first floor of Building 7 and it’s a great way to explore potential transfer opportunities!

When do I apply to my university(ies)?

Applications are accepted anywhere from one year to one month before you start at the university, so research application instructions and deadlines early! Attend Application and Personal Statement workshops hosted by the Transfer Center.

How can I pay for college?

Why work so hard to be admitted to your university only to miss the priority deadline to apply for financial aid and find you can’t afford to go? Attend the Financial Aid for Transfer Students workshop during your first year at Ohlone and learn about transfer scholarships, the FAFSA and California Dream Act application, university financial aid awards, and more.

With all these books to look through, workshops or webinars to attend, and university representatives to meet... Where do I go to access these super awesome resources and services?

THE TRANSFER CENTER

Check in at the Transfer Center computer station near Building 7, Third Floor, Room 7351.

Don’t miss deadlines, scholarship opportunities, and helpful, fun transfer events!

Online – www.ohlone.edu/transfer
Facebook – www.facebook.com/ohlonetranfer
FIRST YEAR CHECKLIST
2-3 years prior to transfer

September
- Request information from schools you’re most interested in
- Attend university preview days (September-November)
- Visit the Ohlone Transfer Center and learn about its services and resources
- Attend Ohlone’s Transfer Day Information Fair and University Panel

October
- Meet with an Ohlone counselor to express your plan to transfer; review what you need to do to be transfer eligible. (Develop Student Education Plan)
- Attend “How to Choose Your Major” workshop*

November
- Attend an info session at the Transfer Center about enrolling at CSU East Bay or UC Berkeley while attending Ohlone College
- Register for spring classes
- Attend university preview days (September-November)

December
- Study hard for your finals
- Research scholarship opportunities

*For workshop dates and times, visit the Transfer Center website: www.ohlone.edu/transfer/workshops.html

January
- Volunteer, work part-time, or get involved in a club or ASOC to enrich your academic career
- Research your major on assist.org and campus websites (Visit Transfer Center for assistance)
- Respond quickly to any requests for additional information from private scholarship organizations, the California Student Aid Commission, etc.

February
- Meet with university reps to refine major and transfer plans
- Attend info sessions about prospective universities
- Apply for financial aid

March
- Meet with an Ohlone counselor to determine TAG (Transfer Admission Guarantee) eligibility
- March 2nd Deadline for priority Cal Grant consideration

April
- Attend prospective university open houses and campus days

May
- Continue volunteering or remain involved in activities to enrich your academic career
- Study hard for your finals
- Register for summer and/or fall courses

UNIVERSITY OF CALIFORNIA
TAG

Transfer Admission Guarantee

The six UC campuses listed below offer the Transfer Admission Guarantee (TAG) program for Ohlone College students who meet specific requirements.

- UC Davis
- UC Irvine
- UC Merced
- UC Riverside
- UC Santa Barbara
- UC Santa Cruz

Find out more at www.ohlone.edu/go/tag

Associate Degree for Transfer
A Degree with a Guarantee

Ohlone College students who complete a new AA-T or AS-T and meet the CSU minimum eligibility requirements will be guaranteed admission to the California State University (CSU) system.

* Transfer to all CSU and UC Campuses
** Transfer to California State University only
See counselor to determine appropriate Math courses for your intended major or if you are undecided.
# OHLONE COLLEGE

## STUDENT EDUCATION PLAN

**Educational Goals:**
- Certificate of Accomplishment
- Certificate of Achievement
- Major (AA/AS)

**Transfer Goals:**
- Major (BA/BS)
- CSU/UC
- Private/Out of State

**Degree Applicable Units Completed to Date:**

**Signature of Counselor**

**Date**

*Final responsibility for course selection is with the college student. This plan is a tentative outline only and is subject to course, scheduling, goal, requirement changes which cannot be determined at this time.*
Academic Success
Located in HH217, there are tutors to help you in a variety of subjects. Best of all, it’s FREE!

Have questions about classes, transfer, or careers? The counselors on the 3rd floor in Building 7 are here to help. Counselors may also assist you with personal concerns.

An important part of any person’s life, your family and friends are there to support you and listen to your worries.

Your instructors are here to support you academically and your overall well-being. Having trouble with what’s being covered in class? Talk with your instructor, ask for help!

Need additional support due to a disability? DSPS on the 2nd floor of Building 7 can help you with additional accommodations so that you can succeed at Ohlone.
Personal Development Classes

Students who take a college success course are MORE successful in college!

Wondering which Personal Development course (PD) is best?

**Great for NEW Students**

- **PD-100** Transition to College: (1 unit)
  This course is designed for new students and serves as an introduction to Ohlone, college life, and issues facing college students.

- **PD-111** Strategies for College Success: (1 unit)
  Students are assisted in adjusting to college life and identifying learning strategies, problem solving, academic planning, critical thinking, and individual motivation.

- **PD-113** Strategies for Succeeding in College: (2 units)
  This course helps students adjust to college by integrating personal growth and academic success with problem solving, critical and creative thinking.

- **PD-170** Welcome Day: (½ unit)
  Through various workshops, students will learn how to be successful in college, what college services are available to them, and where things are located on campus.

**Great for finding a MAJOR or career**

- **PD-150** Career Planning: (2 units)
  This course is great for students who are undecided on a major! PD-150 allows students to evaluate personal interests, skills, values, work styles, and experience and to relate them to the world of work. Students will also learn decision making, education and career planning, locating career resources, job search strategies, and labor market awareness.

**Great for students placed into ENGL-101A (fulfills CSU GE AREA E)**

- **PD-103** Transfer Success in Life Transitions: (3 units)
  A comprehensive student centered course designed for learning how to ensure successful transfer to a university.

- **PD-105** College Success: (3 units)
  This course integrates personal growth, learning techniques, academic and career success, problem solving, and critical and creative thinking.

**ALL Personal Development Classes are transferable to CSU and/or UC**
The Ohlone tutoring services program provides academic support to students needing extra help in understanding the concepts presented in their classes. Tutoring is provided at no charge and can help students meet their academic goals.

General tutoring services are available through the English Learning Center (ELC) on the second floor of Hyman Hall, Room HH-217, at the Fremont campus.

The Counseling Department, Extended Opportunity Programs and Services (EOPS), and Disabled Students Programs and Services (DSPS) also provide tutoring and learning readiness programs and coordinate services with the tutoring centers.

Subject-specific tutoring is available at the following locations:

For hours and more information please visit: [www.ohlone.edu/tutoring](http://www.ohlone.edu/tutoring)
DON’T OVEREXTEND YOURSELF

- Don’t take on more than you can handle (i.e., working 25 hours a week and taking 12+ units).
- If you work more than 25 hours a week, try to take less units.

LEARN HOW TO SAY “NO”

- Know what you need to do and don’t let anything get in the way of your schoolwork.

BE ORGANIZED

- Get a planner to help you keep track of important dates (i.e., homework/project due dates).
- Make a weekly schedule at the start of the semester.
- Set deadlines and reward yourself when you complete a task.
- Focus on one thing at a time.

SET ASIDE TIME FOR STUDY SESSIONS

- Allow for 60-90 minutes of uninterrupted study time per session.

MAKE GOOD USE OF YOUR TIME

- Don’t procrastinate.
- Limit your time watching TV and save socializing for the weeknights and weekends.
- Combine tasks (i.e., if you like to exercise but need to study, then jog or bike to the library).
- Look for blocks of time where you have nothing planned and use the time for errands, studying, or going to an instructor’s office hours.

MAKE TO-DO LISTS AND PRIORITIZE ITEMS

- Make a list for the day and categorize each item as either “A” representing items that must be done today, “B” items that should be done by today, and “C,” items that you would like to do today but can wait.
- Make a list of your fixed and flexible commitments to see where your time must go and where it may need to go.

  **Fixed commitments:** You must do these tasks at a certain time (classes, sleep, meals, work, appointments).

  **Flexible commitments:** These are obligations to meet on your own time (studying, homework, socializing).
### Time Management Worksheet

<table>
<thead>
<tr>
<th>Activity</th>
<th>Hours Per Week</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Work</strong> (optional – applicable if you have a job)</td>
<td></td>
</tr>
<tr>
<td>How many hours are you scheduled to work per week?</td>
<td>= Total Work Hours</td>
</tr>
<tr>
<td><strong>Sleep</strong></td>
<td></td>
</tr>
<tr>
<td>You need about 7-9 hours of sleep per night to stay healthy and alert. Don’t fall asleep in class!</td>
<td></td>
</tr>
<tr>
<td>Hours per night ______ x 7 days (1 week) = Total Sleep Hours</td>
<td></td>
</tr>
<tr>
<td><strong>Driving/Public Transportation</strong></td>
<td></td>
</tr>
<tr>
<td>How many hours do you spend driving or riding to and from where you need to go (school, work, home, the store, etc.)? If you use public transportation, also include the time it takes to get to the transportation.</td>
<td></td>
</tr>
<tr>
<td>Hours per day ______ x 7 days (1 week) = Total Driving Hours</td>
<td></td>
</tr>
<tr>
<td><strong>Maintenance</strong></td>
<td></td>
</tr>
<tr>
<td>Every day there are many activities you perform which are “maintenance” activities, such as eating, showering, and exercising. How many hours do you spend performing maintenance activities?</td>
<td></td>
</tr>
<tr>
<td>Hours per day ______ x 7 days (1 week) = Total Maintenance Hours</td>
<td></td>
</tr>
<tr>
<td><strong>Fun</strong></td>
<td></td>
</tr>
<tr>
<td>How many hours per week do you spend having fun (parties, movies, concerts, etc.)?</td>
<td>= Total Fun Hours</td>
</tr>
<tr>
<td><strong>Technology</strong></td>
<td></td>
</tr>
<tr>
<td>How many hours do you watch TV, play video games, use the computer and/or your cell phone per day?</td>
<td></td>
</tr>
<tr>
<td>Hours per day ______ x 7 days (1 week) = Total Technology Hours</td>
<td></td>
</tr>
<tr>
<td><strong>Other</strong></td>
<td></td>
</tr>
<tr>
<td>If you have other activities which have not been included in the above areas, include them in this section (i.e., family time, attending church, sports, appointments, etc.).</td>
<td></td>
</tr>
<tr>
<td>Hours per day ______ x 7 days (1 week) = Total “Other” Hours</td>
<td></td>
</tr>
<tr>
<td><strong>Total Activity Hours Per Week</strong></td>
<td></td>
</tr>
</tbody>
</table>

Subtract the Total Activity Hours Per Week from 168 hours (hours in a week):

168 hours less ______ total activity hours = ______ hours left for classes/schoolwork

Now you can see how much time you have left for classes and schoolwork. If you do not have enough time for classes/schoolwork, you should look at areas that you can reduce your time in......like “fun.”
Building a SCHEDULE

- Work/Other Commitments
- Full Time or Part Time?
- Choosing Classes:
  - Writing Course
  - Reading Course
  - Math Course

- If you need additional classes, here are some options for you:
  - Personal Development (PD)
  - Major Preparation Classes
  - General Education Classes

TIME Management

How many hours a week will you be working?

<table>
<thead>
<tr>
<th>IF YOU WORK...</th>
<th>TAKE NO MORE THAN</th>
</tr>
</thead>
<tbody>
<tr>
<td>40 hours/wk</td>
<td>6 units</td>
</tr>
<tr>
<td>30 hours/wk</td>
<td>9 units</td>
</tr>
<tr>
<td>20 hours/wk</td>
<td>12 units*</td>
</tr>
<tr>
<td>5-15 hours/wk</td>
<td>14-16 units*</td>
</tr>
</tbody>
</table>

*considered “full time” enrollment

What other priorities take up time in your schedule?

How many units do you plan to enroll in?

1 unit equals one hour in class.

How many hours a week do you plan on studying?

For every 1 unit of class, plan on 2-3 hours of study outside of class.

The #1 reason students end up on academic probation is because they are taking too many units for their schedule. Don’t underestimate the time it takes to be a successful student.
The student is taking the following courses and works part-time (16 hours a week):

- **Engl 101A (4 Units)**
- **PD150 (2 Units)**
- **Math 152 (5 Units)**
- **Psy 101 (3 Units)**
- **Total of 14 units**

To be successful in classes, plan on studying 2-3 hours per unit. Schedule 28 to 42 study hours per week, and designate time for specific classes. Tip: Study for 50 minute blocks and take a 10 minute break.

</table>
Create a relationship to understand the instructor’s position and ideas, as well as receiving positive feedback on the course and questions you have.

Ask questions, take detailed notes, and volunteer. Remember, most instructors factor class participation into your overall grade.

Write down your assignments, due dates and test information. Free planners are offered at the student ID window (Second Floor, Building 7) once fees are paid.

This document is essential for your success in class. It outlines the due dates, project requirements, and expectations of your instructor.

Don’t overwhelm yourself with too many units. Take some classes that interest you to balance out your harder classes.

Keep attending classes even if you do not do so well on the first test. Be aware that the tests, homework, and projects are all weighted differently.

Make sure to get plenty of sleep and rest throughout the week.

Ohlone has a variety of tutoring labs dedicated to helping each student succeed in their classes. Get help early in the semester if you have concerns – don’t wait until you are falling behind. Visit these websites to find each tutoring center’s hours and locations:

Math Learning Center (MLC)
www.ohlone.edu/math/mlc.html

Biology/Chemistry Learning Center (BLC)
www.ohlone.edu/biology/bclc.html

English Learning Center (ELC)
www.ohlone.edu/english/elc

Tutoring
www.ohlone.edu/tutoring

Adding a 30-minute break in between classes will allow for more time to study for a test, recover from a midterm, or grab a snack.

Arriving early allows you time to ask your instructor questions before class starts. You also have time to find a good seat and review notes from earlier lectures.

Prepare your assignments as if you were submitting them to your boss. Follow the syllabus and instructions.

Develop a good relationship with a counselor. They will assist you in meeting your educational goals and ensure that you are taking the correct classes to meet these goals. You are strongly encouraged to meet with your counselor at least once a semester to discuss your academic path.

Take time to reward yourself for studying. After finishing an hour of hitting the books, take a short break and do something fun!
TIPS for your first day at Ohlone!

- Bring a campus map
- Get to school early
- Buy your books early
- Get to know people
- Wear comfy shoes
- Plan to bring or buy lunch/snacks
- Get to know your professors and their office hours
- Buy a semester parking permit online before classes begin

TIPS for Success!

1. Assess your priorities
2. Get a printout of your schedule
3. Know important deadlines
4. In September, schedule an appointment to meet with a counselor
5. Take advantage of resources and services
6. Get to know your instructors – monitor progress in your classes
7. Get involved on campus – interact with classmates, form study groups, or join ASOC

Want to directly email a faculty or staff member at Ohlone?

All you need is their first initial and last name
EXAMPLE: John Smith would be jsmith@ohlone.edu
or visit www.ohlone.edu/core/directory.html

For faculty, the best practice is to get their preferred email from the course syllabus.
The Puente Project is a transfer program consisting of three components: English, Counseling, and Mentoring. The project also offers leadership development, enrichment opportunities and ongoing support. It is open to all students. More information about Puente can be found at: www.ohlone.edu/org/puente

The A2Pi Launchpad Learning Community

The A2Pi Launchpad Learning Community is primarily directed towards African American, Pacific Island and Hispanic students interested in Science, Technology, Engineering and Math (STEM) careers, with a focus on Engineering. More information can be found at: www.ohlone.edu/go/A2Pi

The Ohlone Math Gateway (OMG) Program

The OMG Program is an accelerated math program for Engineering and Bio-Engineering students at Ohlone. Enrolled students will take four full semester length math classes in two semesters along with other engineering related courses. More information can be found at: www.ohlone.edu/go/omg
Campus Life
The Associated Students of Ohlone College (ASOC) represents the students’ needs, wants, and concerns. ASOC helps to ensure that students receive the best possible experience while studying at Ohlone College. Student Government represents the voice of the student body and allows their ideas to be communicated to the different levels of the administration. ASOC also conducts several outreach programs, activities, and events throughout the year.

You can join ASOC during the first 15 days of the fall or spring semester. For more information on how to join ASOC and on the requirements and duties, please stop by the ASOC/Student Life window on the second floor of Building 7.

ASOC meetings are open to the public; check the website to see when and where meeting times are every semester.

In May of 2013, the Office of Student Life started its very own food pantry—The Ohlone Pantry (TOP)—to help feed students in need. Please come by the Office of Student Life window (2nd Floor of Building 7) to ask about how to receive or donate food.
If you are interested in participating in an intercollegiate sport at Ohlone College, please contact the respective coach for initial participation information and the athletic counselor if you need clarification on completing the following steps:

1. **Contact the Coach:**
   Contact the coach of the sport you would like to play, providing a brief history of your experience and accomplishments within that sport. The coach will inform you of which intercollegiate class(es) you will need to register for, in order to participate in that sport. You may find coaches’ information on our website: [http://www.ohlone.edu/org/athletics](http://www.ohlone.edu/org/athletics).

2. **Apply to Ohlone College:**
   a) Complete the Ohlone College online application [https://webadvisor.ohlone.edu](https://webadvisor.ohlone.edu); it typically takes 2-3 business days to process your application. At that time, you should receive an email providing your **Ohlone College Student ID**.
   b) With your Ohlone College Student ID, create your Ohlone WebAdvisor account: [https://wedadvisor.ohlone.edu](https://wedadvisor.ohlone.edu)
   c) Apply for financial aid if you would like to see if you’re eligible for various types of financial aid: [http://www.ohlone.edu/org/finaid/finaidprocess.html](http://www.ohlone.edu/org/finaid/finaidprocess.html)

3. **Placement Test:**
   Sign up to take the math & English placement test; instructions for what to study and what to bring can be found at [www.ohlone.edu/org/placement/](http://www.ohlone.edu/org/placement/). **Please do your absolute best on the test!** It is NOT a pass or fail test, but results determine which math and English classes you must complete; therefore, potentially saving you time and tuition fees at Ohlone. This is critical to your academic success. Review the math and English study guides and sample questions on the Placement Center’s webpage prior to taking the test. See also “frequently asked questions”: [http://www.ohlone.edu/org/placement/faq.html](http://www.ohlone.edu/org/placement/faq.html)
CLUBS and ORGANIZATIONS

Here are some awesome clubs that you can join...

American Sign Language (ASL) Club
American Medical Student Association (AMSA)
Asian Pacific American Student Association (APASA)
Astrophysics Club
Autism Awareness Club
Biology Club
Chinese Student Association
Civic Engagement Club
Dot-Slash Computer Science
Entertainment Arts Guild
Game Developers Club
International Club
Intervarsity Christian Club
Leaders for Change
Math Club
MECHA
Muslim Student Association Club
Ohlone Biotechnology Club
Ohlone Business Club
Ohlone Engineering Club
Ohlone Tai Chi/Qigong
Philosophy Club
Psychology Club
Punjabi Student Association
Random Acts of Kindness
Renegade Gaming
Society of Women Engineers
Speech Club
Student Sustainability Club

Can't find what you are looking for? Start your own club!

IMPORTANT NOTE: New clubs must follow the process outlined below in order to be recognized as an official Ohlone club. New clubs may organize (submit paperwork) before the third ICC meeting of each semester. Forms submitted after the third ICC meeting will not be accepted. For meeting dates/times, please go to: www.ohlone.edu/studentactivities/studentclubs.html

Step 1: Gather at least 5 student members willing to participate in the club activities. Members must have a valid student ID card or student ID number and be enrolled in classes.

Step 2: Obtain an advisor. Advisors must be employees of Ohlone College and approved by the Student Life Office.

Step 3: Submit a completed New Club Charter form, which can be found at the Student Life Office or online at: www.ohlone.edu/studentactivities/studentclubs.html

Step 4: Attend the next Inter-Club Council meeting following the submission of the New Club Charter form in order to present the proposed charter. (Check with Student Life for the next meeting date.)

For more information, please visit Student Life in Room 7210 or call 510.659.6255.
4. **Athletic Counseling and Advising:**
   Get help selecting classes and registering for Orientation for Student-Athletes. To schedule your appointment with the Athletic Counselor, contact the counseling department at (510) 659-6110. (When the Athletic Counselor is unavailable, a general counselor can assist you.)

5. **Register for Classes and Attend Orientation for Student-Athletes:**
   Register for classes online via WebAdvisor (https://webadvisor.ohlone.edu), including your Orientation for Student-Athletes class (Personal Development 141). This is a transferable class that will cover specific topics designed to help student-athletes transition to college and intercollegiate athletics. Students will become familiar with college resources, academic planning, time management, transfer/eligibility guidelines, and study skills.

6. **Pay for Classes:**
   After registering for classes, payment must be received within **5 calendar days** from the date you register for any class(es); therefore, to avoid being dropped for non-payment, consider selecting the payment plan option from the Financial Information section of WebAdvisor.

7. **Medical Eligibility:**
   Medical eligibility verification is required before participating in all ATHL classes and associated sport activities. This process involves several elements, including: a pre-participation physical examination (must be current and signed by a MD or DO), emergency contact and medical insurance information, and baseline concussion assessments. Further information is available via the Athletic Training staff in the Athletic Training Room (Room 9101).

8. **Prepare for Classes:**
   a) Print a copy of your class schedule from WebAdvisor to confirm registration and check for errors. Also, email or give a copy to your coach.
   b) Purchase and/or rent your textbooks online or in the Bookstore.
   c) Purchase your parking permit: www.ohlone.edu/core/mapsdirs/parking/
Athletics at Ohlone

Ohlone College is home to the Renegades! We’re a member of the Coast Conference of the California Community College Athletic Association and compete against colleges located throughout the Greater Bay Area. Students can watch the games for free or for a discounted ticket price!

Semester parking permits must be purchased at:
www.ohlone.edu/go/semesterpermit

Semester and daily parking permits are valid for parking at both campuses.

The fee for daily parking permits is $4 per day. Semester parking permits for the Fall 2016 and Spring 2017 semesters are $40.

There is NO GRACE PERIOD for free parking. Parking is enforced from the first day of the semester.

There are two bus routes that serve Ohlone College. There is one drop off location at the Fremont campus, and one drop off location at the Newark campus. See campus maps on page 44-45. For information on bus routes, visit the AC Transit website at actransit.org.

**Ohlone Pony Shuttle**

The Ohlone Pony Shuttle is an electric shuttle bus that runs approximately every 20 minutes on Ohlone’s Fremont campus, and takes students from the lower parking lots up to the upper campus. For the complete route and hours of operation visit
www.ohlone.edu/go/ohnonepony

Be informed and remain connected with Ohlone College. Stay abreast of news, events, and information at Ohlone.

| Total Health & Wellness Center       | 1  4  |

ROOM NUMBERS: The first digit designates the floor, the second digit designates the wing, and the third and fourth digits designate the room number. EXAMPLE: NC2121 is on the 2nd floor, wing 1.

Portable classrooms are labeled NP-building number.
EXAMPLE: NP-8 is portable building 8 at Newark.

SEMESTER PARKING PERMITS are $40 per semester for students and are valid at both campuses in designated student lots. Permits must be purchased online at www.ohlone.edu/go/semesterpermit. The permit must be displayed in full view.

DAILY PERMITS are $5/day and can be purchased at permit vending machines in the lots designated on the campus map. Permit machines at Newark only accept cash.

ADA PARKING is enforced at all times, no exceptions. It is required that both a valid Ohlone parking permit or daily pass and a valid ADA placard or license plate be displayed in full view.

BOOK ORDERS: Order textbooks online at www.ohloneshop.com.
